The Praise & Worship (Music) Ministry

Audio mixing guidelines ...

Psalm 33:3 KJV - Sing unto him a new song; play skilfully with a loud noise

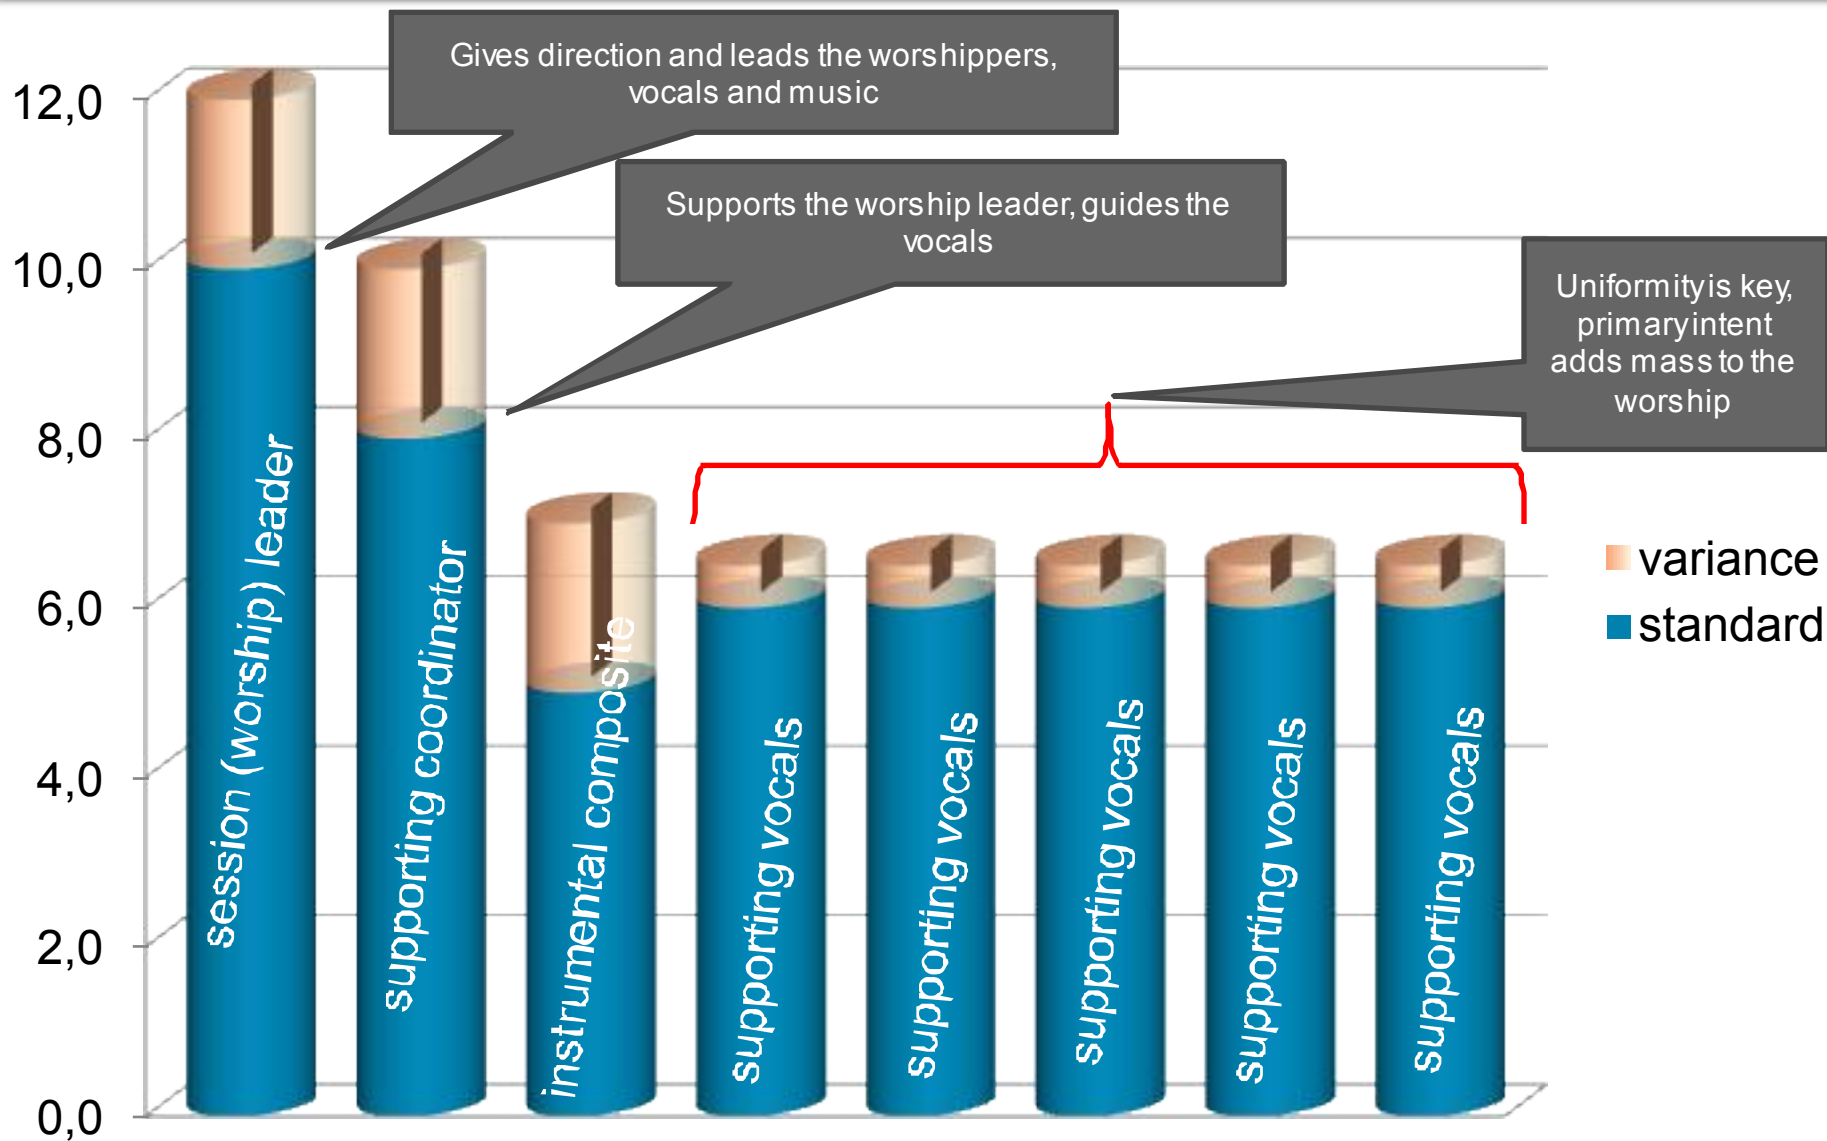

– Benni Alexander

Audio Composite Basis

- The audio composite (mixing) serves as a guideline
- Made keeping our functional structure in mind (refer to the Strategic & Tactical overview)
- The aim is that the team functions as a whole, supporting and drawing the best of the team as a whole
 - Ensures maximum key (music) & percussions support
 - Ensures common directions
- Does not distract the worshippers
- Provides a structured harmonious output
