

Dear VICF family,

Please note the revised covid-19 guidelines for our Sunday services in place from **Sunday 13 March 2022**:

1. **If you have any flu-like symptoms or other symptoms like sore throat, headache, runny nose, etc, please stay home to recover.**
2. **Masks** – can be worn if desired.
3. **Disinfect your hands** upon arriving into the main hall at Minttu church.
4. **Upon sneezing or coughing, please do so into your elbow/arm sleeve, or into some other cloth material to be disposed of appropriately.**
5. Remember to **maintain a gap of significant distance** with others.
6. **Sunday school** – Dolphins (ages 3-6) will still meet online via Zoom for the time being. Cool groups will meet downstairs at Minttu.
7. Tithes and offerings will continue to be collected via online option, as well as using your bankcard via iZettle during the service. Cash is accepted too.
8. Fellowship time downstairs after the service will start again in a more simple format to begin with.

With regards,
VICF Council
